We currently have 60 paid members, which is ahead of the budget based on 55. Expect a few more to join. There is \$2,470 cash on hand. At current trending, we may have more than \$800 left at the end of the year. Rich suggested we consider identifying opportunities to increase spending. Bob has some ideas that will be shared at a later time. **\$100 will be added to the budget for a potential hole-in-one prize.**

Golf Schedule Review

Allan reported he was told to “hold tight” when he inquired about scheduling the River Creek outing. He was informed they do not currently have a head pro. The group suggested looking at alternatives.

The Kenwood mixer was rained out.

The 2-Man Team stroke play was completed.

Jerry reported 4 participated at last Jeff St. John clinic. He described the effect of the teaching on his driving.

Ray provided a Match Play update. Matches were to yesterday. No reports yet of any played. Ray reminded everyone the requirement to record only scores played in the match. For example, if the match ends on #15 then only 15 holes are entered, not all 18. Gary and Ray will monitor. It was suggested we have Pro Shop enter all scorecards, and send a pic to Ray. The group endorsed this procedure. A reminder will be sent that 100% HCP’s for Individual and 90% for 2-Man Team competitions should be applied for these matches.

Ray reported a \$1,200 donation will be given by Boys Night Out. There will be Men, Women and Mixed Group Categories. In response to a question by Gary, Bob clarified a throw will **NOT** count as a stroke and can be used at any time, including as a putt. Bob will add a description to the certificate. There's a need for volunteers to man the booth.

Ken Forte, who manned the booth in prior years, passed recently. A separate GGA email will be sent to members describing Ken's valued contribution to GGA.

Manor CC is planning a mixer for **Friday Oct 10th** **Thursday October 9th** and requested 10 NCC players participate. Pricing should be similar to current mixers. The Group was in favor of participating. Joe will invite Friday Gamers to play Manor that day. He will provide more detail that includes format and price as the date nears.

Bob mentioned there will be a **Thursday morning 9-hole event sponsored by GGA. The format will be Modified Stableford. The tentative date is July 17th.**

Gary reviewed Rule 23.8 "Restriction on Player Standing Behind Partner When Stroke Made". He contacted USGA to get clarification on whether a partner standing on the line past the hole is allowable. USGA responded there is no rule prohibiting standing in front of the partner beyond the hole, only standing behind your partner is a breach of the rules.

The NWGA asked Bob to sponsor their Member/Guest. The request is from \$50 to \$650 depending on what is sponsored. The Board declined at this time.

Jerry to send out email Communications on upcoming Mixers to the GGA membership, including the Kenwood August 19th away mixer.

This leaves a projected \$566 left at end of the year. Rich commented there may be up to an additional \$300 available if some budgeted items are not needed, such as the hole-in-one prize and cost of additional picture frames for match play results. Allan commented that a \$500 has been the target in the past and would be a good target for 2025.

Status of Away Outings was updated by Allan. Belmont said they could only accommodate up to eight players. Allan will explore whether Chantilly can host us during the Norbeck aeration in the Fall.

Minutes from the last meeting were approved.

Old Business

Detailed Treasurer's and Budget reports had been emailed previously by Rich. Total August expenses were \$30 plus a \$20 gift card (for the added 9-hole event), budgeted \$0. GGA has \$1,920 cash on hand. Going forward, the Ryder Cup event at Norbeck could cost us close to \$500 vs the revised budget of \$300. We should be able to cover it through monies not spent on some items going forward.

Status of Away Outing: slight chance of River Creek in October.

Past event status:

- Internal Ryder cup went well. Bobby's team won. Good participation.
- 9-Hole Stableford event went well. Nine players.
- Few, if any GGA members, attended the Kenwood away mixer.
- Matchplay tournaments: One individual and one two man match have slipped from August to September. Hope to catch everyone back up by the end of the month.

Upcoming events:

- Largest field ever for Ryde Cup event at Kenwood. Large group as well for event at Norbeck.
- Six for Bretton Woods away mixer.
- Manor event this year will be 10 players from each club. Mixed teams of four. Two best ball. \$20 per player cash for prize

GGA Leadership Meeting DRAFT Minutes

October 6, 2025

The meeting was called to order by Bob at 10am

Attendees via Zoom were John Craig, Bob Diamond, Rich Frisch, Ray Grimes, Gary Guttman. Robert Harris, Don Hunston, Allan Kaufman, Jerry Martin, Joe Ober, Rich Rounds

Minutes from the last meeting were approved.

Old Business:

Treasurer's Report

Detailed Treasurer's and Budget reports have been emailed previously. Rich will provide a year-end report at our Annual Members Meeting. As part of the transition, he will hand over the balance of cash to Bob Diamond at the Presidents Day event. Rich estimates there should be between \$500 - \$600 carryover to the next year.

Bob Diamond mentioned participation in mixer events was "very expensive" where GGA rebates were provided. Therefore, consideration will be given to reducing rebates next year.

Golf Events

Allan reports he did not hear back from Mike Barillo therefore no aeration get away event to an Invited club is scheduled for this year.

Bob D. reported that there was lots of participation in the Kenwood Ryder Cup. He thought several Norbeck players played tees they typically don't play and that may have led to the poor match result. Ray described the process to negotiate the tee selections with Mark Gross from Kenwood. He stated Norbeck forward tees are similar to Kenwood Gold tees, and Norbeck Gold tees are similar to Kenwood white tees. Mark Grossman expressed the poor Norbeck showing may be due to our course rating being too high. Consistently faster greens and higher rough at Norbeck should impact player handicaps.

Garry Guttman attended the Bretton Woods mixer and thought it was nice.

Ray reported the Match Play tournament is on schedule. Finalists for the Two-Man Team competition are Gary Guttman and Mark Brueggenjohann vs. Henry Bernstein and Matt Van Patten. The Individual championship will be contested by Pardeep Aneja and Joe Ober.

Annual Meeting

Bob D. drafting the agenda. Notices will be sent out by October 15th. The slate of candidates for officers will be included, along with an invitation for others to run if interested. At this time there is one candidate for each position. Bob D. will run for President, Robert Harris is running for Secretary, Jerry

Martin is willing to continue with Comm's, Greg Dulavich will run for VP and Rich Rounds will run for Treasurer. Unless another member expresses interest, all are running unopposed.

Appreciation Dinner is tentatively scheduled for December 3rd pending approval from Mike Barillow. \$350 had been budgeted.

Communications

Jerry to send out information on Closing Day and the Annual Members Meeting
