## 2025 Norbeck-Kenwood Ryder Cup Challenge

The 18<sup>th</sup> playing of the annual Ryder Cup challenge with Kenwood CC drew the largest field in the history of the event.

Twenty-eight players from each club played on Day 1 at Kenwood. The formats were foursomes and scramble, and Kenwood took a one-point lead. The weather was great and a Mexican meal on Kenwood's second-floor, outdoor patio capped an enjoyable day.

Day 2 at Norbeck had 34 players from each club. The formats were fourball and individual match play. Unfortunately, Kenwood won a decisive victory in the fourball matches and retained the "trophy" plaque with a two-day score of Kenwood 45.5, Norbeck 33.5.

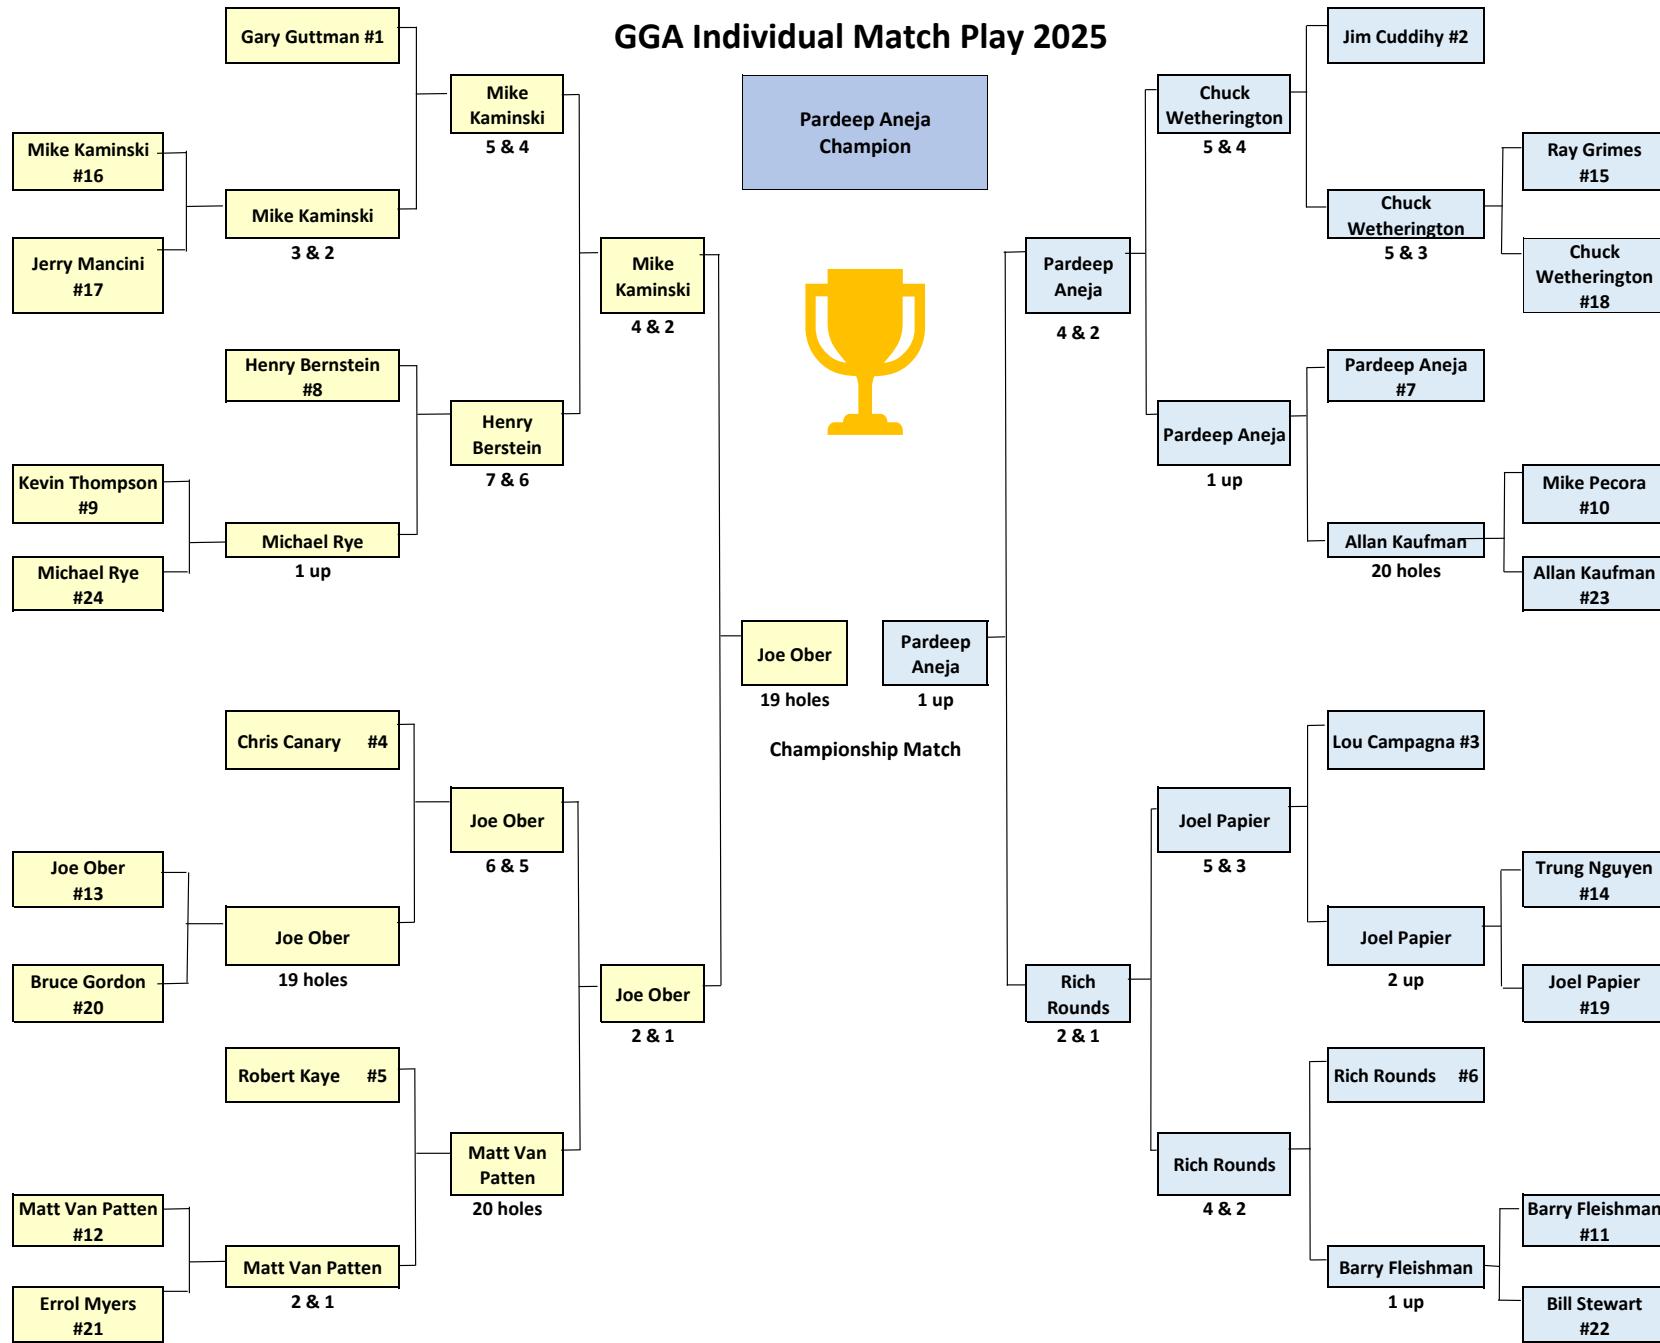

Though we lost, it was a fun, competitive event. Be sure to join us next year for a great competition.
